

# Going Above and Beyond the Call...

You've been a Quality Unit every year.  
You've met all your Centennial Goals.  
You've had all of your unit leaders trained in their position.

**How does your unit stand out as one that REALLY makes the effort to get their Leaders Trained?**

Set your goal toward being a

## “Highly Trained Unit”

### CRITERIA:

- 100% of all leaders are trained in Youth Protection
- 85% of contact leaders trained in specific position
- The Unit has an individual designated as a training liaison (pack trainer, troop training chair, etc.) whose contact information (e-mail, phone, mailing address) is submitted to the council training committee

### How to Achieve This Award:

- Verify your training records with Council through the Council Registrar
- Correct any omissions of training taken, and keep position changes up to date with the Council Office
- Encourage unit leaders to attend all necessary training for the current year and any future position they will have
- Make sure Youth Protection is up to date (must be taken every three years)
- If your unit meets the three criteria on **August 30 2009**, they will receive a “Highly Trained Unit 2008-2009 Award”

This award will be offered annually to units that meet the criteria.
