September 3, 2007

Dear Cub Scout Family,

Welcome back to a new year of scouting! Hope your summer was great and that you were able to participate in some of our Pack summer activities or the council camps. Enclosed you will find your 2007-2008 Calendar listing all upcoming events and meetings at the Pack, District, and Council levels.

Please take a few minutes to look over the new calendar and mark your own calendar accordingly so you don't miss any meetings or special events. The calendar lists events for scouts, leaders meetings, Pack meetings, and other outings, which are not required but may be of interest to your scout/family.

If your boy is already in a den/patrol, your leader should be contacting you about starting up the regular meetings. If you are a brand new scout, the pack committee is working to signup leaders and place your boy in a den. We hope to have all our dens together by our first pack meeting on September 27.

If you have questions about Cub Scouts please don't hesitate to call me, or any of our leaders. They are all happy to help. A great way to keep informed of Pack happenings is to regularly check our Pack Web site - www.PeotonePack315.org. The web site is always up-to-date and has details on upcoming events, calendar information, pictures of our boys at events and pack meetings, and more! Add it to your favorite sites and check it often. Another way to be involved is by attending our monthly Committee/Leader meetings. These are listed on the calendar and parents are *always* encouraged to participate. We are always in need of parent volunteers; we need Den Leaders, Activity Chairs & Co-chairs, and other assistants to lighten the load on our dedicated leaders. Won't you consider stepping up? If you can't help at the Pack level, please make a commitment to help your boy's leader whenever possible. Your active involvement shows your boy that you believe in the program.

We are looking forward to another great year with our Peotone Pack. We have one of the busiest, most active packs in the Council and we are proud of the programs we bring to your boys.

Sincerely,

Diana Orseske

& Pack 315 Committee

P.S. Don't forget our annual Cub Scout Olympics on Sunday, September 9th at 1:00 at the Peotone Junior High football field. Because our Rocket Launch/picnic was a rainout we will host that following the Olympics so don't forget a dish to share and your empty 2 liter bottle to blast off! The pack will provide hot dogs and drinks. We hope to see many of our boys participate in this fun day and at all upcoming events!
